NODE.JS

WORK EXPERIENCE

FRONTEND DEVELOPER

(21 SEP 2024 - 20 OCT 2024)

GOWRI SOFTWARE SOLUTIONS,ATTIGUPPE,BANGLORE

In this internship, I designed a web application using React.js. The project focuses on creating a simple, responsive, and interactive website with smooth navigation and fast performance. It allowed me to apply my React skills in a real-world setting, learning how to build user-friendly and efficient web apps.

PROJECTS

PERSONAL RESUME WEBSITE

[GITHUB LINK](#)

This is my personal resume website designed to showcase my skills, projects, and contributions in the field of software development and data science. The website provides an interactive and visually appealing way to highlight my expertise in various technologies, tools, and programming languages.

SOFTWARE ORGANIZATION WEBSITE

[DEPLOY LINK](#)

This Project reflects the website's focus as a corporate or software organization example, detailing the structure and key features of the site while highlighting its professional purpose.
